Oh, the Lord is good to me, and so I thank the

And someday there'll be apples there, For everyone
in the world to share.
The Lord is good to me. Hallelujah

BILLBOARD SONG

As I was walking down the street one bright and
sunny day

I came upon a billboard and much to my dismay.
The sign was torn and tattered, from the storm the
night before

The wind and rain had done it's work and this was
what I saw:

Smoke Coca Cola cigarettes, chew Wrigley's
Spearmint beer,

Kennel Ration Dog Food makes your wife's
complexion clear

Simmonize your baby with a Hershey's candy bar &
Texaco's the beauty cream that's used by all the

Big enough for two, my honey, big enough for two
And when we're married, happy we'll be,
Under the bamboo, under the bamboo tree.
And you'll be M-I-N-E mine, And I'll be T-H-I-N-E

DONUT SONG

Well I walked around the corner and I walked
around the block

And I walked right in to a donut shop. And I
picked up a donut fresh from the grease. And I
handed the lady a five cent piece.

Well she looked at the nickel and she looked at me

And she said this nickel is no good for me,
There's a whole in the middle and it goes RIGHT
through,

I said there's a hole in my donut too. Thanks for
the donut, so long,!

(Somebody start a-nother song!)

Her name is Sarah and when she smiles,
She shows her teeth for miles and miles
And tonsils, and spare ribs, and things too worse
to mention.

TITANIC

Oh, they built the ship Titanic and when they were
through

They said this is the ship that the water will
never get through.

But the Lord He raised His hand, said the ship
will never stand.

It was sad when the great ship went down.

It was sad (so sad), It was sad (so sad)
It was sad when the great ship went down to the
bottom of the sea... (Husbands & wives, little
children lost their lives)

It was sad when the great ship went down.

They were off the coast of England, and headed for
the shore,

When the rich refused to associate with the poor.
So they sent them down below, where they did not
wanna go.

It was sad when the great ship went down.

(Chorus)

So they sent those life boats out on the wild and
raging sea.

As the band was playing " Nearer My God To Thee"
Oh the children wept and cried as the waves swept
over the side

It was sad when the great ship went down.

(chorus)

Oh the moral of this story, is very plain to see,
(Plain to see!)

Always wear a life preserver, whenever you're at
sea....

Oh the Lord He raised His hand, (Raised his
hand!),

Said that ship would never stand. (Never Stand!)

DAY IS DONE

Tell me why you're crying my son,
I know you're frightened like everyone.
Is it the thunder in the distance you fear?
Will it help if I stay very near? I am here.

And if you take my hand my son,
All will be well when the day is done,
And if you take my hand my son,
All will be well when the day is done.
Day is done, Day is done, Day is done, Day is
done.

Do you ask why I'm sighing, my son?
You shall inherit what mankind has done.
In a world filled with sorrow and woe,
If you ask me why this is so... I really don't
know.

Tell me why you're smiling, my son,
Is there a secret you can tell everyone?
Do you know more than those that are wise?
Can you see what we all must dis-guise through
your loving eyes?

BARGES

Out of my window looking in the night I can see
the barges flickering light
Si-lent-ly flows the river to the sea And the
barges too go silently.

Barges, I would like to go with you I would like
to sail the ocean blue
Barges have you treasures in your hold?

Do you fight with pirates brave & bold?

Out of my window looking in the night, I can see
the barges flickering light
Starboard shining green and port is glowing red
I can see them flickering ahead.

IF I HAD A HAMMER

If I had a hammer, I'd hammer in the morning
I'd hammer in the evening, All over this land
I'd ring out danger, I'd ring out a warning,
I'd ring out love between my brothers and my
sisters
All, over this land.

If I had a bell, I'd ring it in the morning
I'd ring it in the evening, all over this land
I'd ring out danger, I'd ring out a warning
I'd ring out love between my brothers and my
sisters
All over this land.

If I had a song, I'd sing it in the morning
I'd sing it in the evening, all over this land
I'd sing out danger, I'd sing out warning
I'd sing of love between my brothers and my
sisters
All over this land.

Well I got a hammer, and I've got a bell,
And I've got a song to sing, all over this land.
It's the hammer of justice, it's the bell of
freedom
It's a song about the love between my brothers and
my sisters
All over this land.

MY PADDLE'S KEEN AND BRIGHT

My paddle's keen and bright, Flashing like
silver,

Follow the wild goose flight, Dip, dip, and swing.
Dip, dip and swing it back, Flashing like silver.
Follow the wild goose flight, Dip, dip and swing.

LINGER

Mm-mm, I wanna linger
Mm-mm-mm, a little longer
Mm-mm-mm, a little longer here with you.
Mm-mm, it's such a perfect night
Mm-mm, it doesn't seem quite right
Mm-mm, that is should be my last with you.

Mm-mm, and come December
Mm-mm-mm, I will remember
Mm-mm-mm, our camping days and friendships true.
Mm-mm, and as the years go by
Mm-mm, I'll think of you and sigh
Mm-mm, this is good night and not good bye.

ROW ME OVER THE OCEAN

Row me over the ocean, Row me over the sea,
Row me over the ocean and the deep blue sea.

It's cheese that makes the mice go round.
It's mice that makes the cats go round
It's cats that make the dogs go round
It's dogs that make the boys go round
It's boys that make the girls go round
It's girls that make the love go round
It's love that makes the world go round.

OUR HOUSE

Well, a man came to our house, Our house, Our house
house

A man came to our our house to sell some brooms.
We asked him to come in and we hit him with a
hammer,

And we hid him in the closet in my mommy's room.

But you're always welcome at our house (OUR
HOUSE!)

Any time of the day. (YES YOU ARE!)

Yes, You're always welcome at our house,
And we hope that you will stay.

A lady came to our house, Our house, Our house
A lady came to find out why we weren't in school.
So we asked her to come in and we gave her
poisoned lemonade,
And hid her in the freezer where it's nice and
cool. BUT...

Then a kid came into our yard, Our yard, Our yard
A kid came into our yard to get his ball.
We asked him to come in and we took in the
basement,
And we sealed him up inside the cellar wall.
BUT...

So when you come to our house, Our house, Our house
house
When you come to our house we'll have some fun.
We'll ask you to come in and we'll take you in the
kitchen,
And we'll put you in the oven 'til you're nice and
done. BUT...

And we know that you will stay.

THIS LITTLE LIGHT OF MINE

This little light of mine, I'm gonna let it shine.
This little light of mine, I'm gonna let it shine.
This little light of mine, I'm gonna let it shine.

Let it shine, let it shine, let it shine.

Hide it under a bushel, NO! I'm gonna let it
shine. (repeat)

I'll not let Satan "Whoo" it out, I'm gonna to let
it shine. (repeat)

STRANGEST DREAM

Last night I had the strangest dream, I've ever
dreamed before

I dreamed the world had all agreed to put an end
to war

I dreamed there was a mighty room and the room was
filled with men

And the paper they were signing said they'd never
fight again

And when the papers all were signed and a million
copies made,

They all all joined hands and bowed their heads
And grateful prayers were prayed

And the people in the streets below were dancing
round and round

and guns and swords and uniforms were scattered on
the ground

Last night I had the strangest dream, I've ever

dreamed before
I dreamed the world had all agreed to put an end
to war

TODAY

Today, while the blossoms still cling to the vine
Ill taste your strawberries, I'll drink your sweet
wine

A million tomorrows shall all pass away
'ere I forget all the joy that is mine, today

I'll be a dandy, and I'll be a rover,
You'll know who I am by the songs that I sing
Ill feast at your table, I'll lie in your clover
Who cares what the 'morrow shall bring

I can't be contented with yesterdays glory
I can't live on promises winter to spring
Today is my moment, now is my story
Ill laugh and I'll cry and Ill sing

WHERE HAVE ALL THE FLOWERS GONE

Where have all the flowers gone? Long time
passing,
Where have all the flowers gone? Long time ago,
Where have all the flowers gone? Gone to young
girls every one
When will they ever learn? When will they ever
learn?

*Where have all the young girls gone... gone to
young men...
gone to soldiers... gone to graveyards... gone to
flowers*

Where have all the flowers gone... Young girls
picked them every one
When will they ever learn? I guess they'll never
learn?
